

A Top Minnesota Attraction

USA TODAY Reader's Choice

Thank you for your interest in the National Eagle Center!

The National Eagle Center is a world-class interpretive center located on the banks of the Mississippi River in Wabasha, MN. Home to rescued bald and golden eagles, the National Eagle Center connects people with eagles in nature, history, and cultures every day. Visitors have the opportunity to meet these eagle ambassadors up close, explore interactive exhibits and cultural displays, and attend programs highlighting the biology, ecology, and natural history of the eagle.

The National Eagle Center is the perfect destination for families, school groups, and tour groups! Our unique location and facility allow our visitors to have a nose-to-beak experience with the eagle ambassadors while observing wild eagles along the Mississippi River at the same time. Our engaging programs and expert naturalists connect with learners of all ages and ensure that all your eagle questions are answered. We offer special group rates for groups of 30 people or more and you can schedule a special program and rent space for lunch or to hold an organizational meeting.

Discover the wonder and majesty of our national symbol. We hope to see you at the National Eagle Center soon!

Sincerely,

Ed Hahn
Marketing Manager
