## What can Occasions with Character do for your program?

- Attendees remember and support your special programming. Parents love taking meet-and-greet pictures, and kids tend to talk about how they met their heroes at the library for a long time after
- Favorite characters draw top crowds to your events
- We provide media kits to make promotion easy for your busy schedule and event assistants to make your event day a breeze
- Once you see the smiles, you'll know you made a lasting impact!

### Meet-and-Greets

- Include the character(s) of your choice for the time frame and character attendant(s) to help your event run smoothly
- Characters take photos with and greet guests, and can do free-form activities such as visiting tables or reading books
- Optional photo backdrop included
- Discounts available for schools and nonprofits
