What can Occasions with Character do for your program?

- Attendees remember and support your special programming. Parents love taking meet-and-greet pictures, and kids tend to talk about how they met their heroes at the library for a long time after
- Favorite characters draw top crowds to your events
- Interactive storytimes use early childhood reading ECRR2 standards to provide enrichment as well as fun for your attendees
- We provide media kits to make promotion easy for your busy schedule and event assistants to make your event day a breeze
- Once you see the smiles, you'll know you made a lasting impact!
