TAYLORS FALLS SCENIC BOAT TOURS

Taylor Falls Scenic Boat Tours has been in the family since 1906. This family owned and operated business is run by the fourth generation; Dan Raedeke and Amy (Raedeke) Frischmon. Since 1906, millions of tourists have enjoyed the scenic beauty of the world famous Dalles of the St. Croix River. Our licensed boat pilot and tour guide will point out unique rock formations such as the Old Man of the Dalles and the Holy Cross. These formations were left behind as the glaciers retreated thousands of years ago.

"We hope that you will be able to join us for one of our trips this summer. We are proud to have a business with over 100 years of service and we would like to share the scenic and historic beauty of the St. Croix River Valley with you and your family. Come join us! You will be happy you did." - Amy Frischmon
