

The Mission of Jellyfish Entertainment

Our mission is to bring joy, laughter, and learning through our balloon art, face painting, and passion for living creatures.

1. **Joy** - getting a personalized design will brighten up anyone's day, regardless of age!
2. **Laughter** - we are artists, but we also make it fun! We love being silly. We joke and have fun with our art, and our reptile viking show is centered around silly interactions with animals!
3. **Learning** - during our reptile viking show, kids learn so much about reptiles! The great thing is that they think they are just enjoying the show and having fun.

We Travel To Your Venue!

Jellyfish Entertainment is based in the beautiful city of Monticello, MN but regularly travels up to an hour for events. Locations farther out are still a possibility with an extra travel charge.

What We Do

Birthday Parties

All of our entertainment services are amazing for birthday parties! We include a "deluxe" balloon sculpture, like the princess pictured to the right, for the birthday child regardless of which service you choose!

Company Events

Blazing fast, incredible designs by artists that you can depend on! We make events fun and memorable one balloon or face paint design at a time!

Daycares & Preschools

Our Reptile Viking show is a perfect "indoor field trip" that kids love! It's a hilarious way to learn about nature that your students won't soon forget.

Senior Centers

We love honoring those who have come before us, and we especially love bringing smiles to seniors' faces! Our entertainment services are great for events at care centers.
